You have to broil a beefsteak,  
You have to boil a ham,  
You have to fry a whitefish  
And roast a leg of lamb,  
But when a package of Post Toasties is lying on the shelf,  
No fry, no broil, no roast, no boil,  
Just go and help yourself.

## SOME PLAYING

**Maysville Shut Out Lexington Yesterday, 4 to 0**

**Wellman Pitched Great Ball in His Last Game**

Lexington lost a pretty game to Maysville yesterday, after fighting desperately to make it two straight from the Rivermen, but there was too much Wellman for them and they were blanked 4 to 0 at Lexington.

Cannitz put up a beautiful fight, but scratch hits, coupled with a little bad fielding in the ninth, lost the contest for him.

Wellman, pitching his last game in the Blue Grass, exerted himself to the utmost, and almost had a no hit game, only allowing two bingles, one in the eighth and one in the ninth, respectively. The big left-hander only gave one free pass, while he whiffed thirteen bats.

**The Fielders Took the Afternoon Off While He Worked on the Slab.**

During the nine innings, only thirty men stepping to the plate and one of them being safe on an error. Cannitz was right along with him, allowing two bases on balls and fanning ten batters. His pitching would have won an ordinary game.

The Lexington team played ball with greatly increased interest and the new management seems to have worked wonders in getting snappy baseball out of his men. As on Wednesday a very small crowd was out to see one of the best games of the year. Ordinarily they would have won, but all the breaks were against them and Wellman was invincible. He left after the game for New York, where he will join the St. Louis Browns, who have purchased him from Maysville.

The score follows:

Maysville.....0 0 0 0 0 0 1 3 4  
Lexington.....0 0 0 0 0 0 0 0 0

**Two-base Hits—**Carmony. First on Balls—Off Wellman 1, off Cannitz 2. Stolen Bases—Langenham, Clever, Lake, Reed. Struck Out—By Wellman 13, by Cannitz 10. Left on Bases—Lexington 3, Maysville 6. Sacrifice Hit—Lake. Time—1:50. Umpire—Franklin.

**BASEBALL NOTES**

In the Frankfort-Richmond game at Richmond yesterday, Munn, the Frankfort first baseman, made his seventh home run in seven games, thus breaking the world's record.

Portsmouth and Maysville teams will play a post-season series at the close of the Ohio State League. It looks as though Maysville will win the pennant, and as Portsmouth has the O. S. flag practically clinched, a series between these two teams would no doubt draw large crowds.—Portsmouth Times.

## Dandruff Germs are Responsible

**Baldness and Most Hair Troubles Due to This Parasite, Which Destroys Hair Roots.**

Nobody wants to be bald! But a neglected scalp means falling hair, then—BALDNESS. If you are troubled with itching scalp or falling hair, get rid of dandruff without delay. It destroys the hair roots, so that no new hair growth is possible.

Begin now using **HAY'S HAIR HEALTH**, the reliable Dandruff Remover. It destroys the dandruff germs and encourages a growth of youthful-looking hair. You won't have unsightly dandruff scales on your coat collar or bald spots on your scalp if you use HAY'S HAIR HEALTH. W. W. White, Pastor Vienna, (Mo.) M. E. Church, writes us: "I have used half a dozen different hair tonics, but I find HAY'S HAIR HEALTH the very best preparation I have ever used for dandruff." You can get it at Thos. J. Chenoweth's for 50 cents or \$1 per bottle, or from the Philo Hay Spec. Co., Newark, N. J.

## Bowels are Basis of Child Health

The careful mother, who watches closely the physical peculiarities of her children, will soon discover that the most important thing in connection with a child's constant good health is to keep the bowels regularly open. Sluggish bowels will be followed by loss of appetite, restlessness during sleep, irritability and a dozen and one similar evidences of physical disorder.

At the first sign of such disorder give the child a teaspoonful of Dr. Caldwell's Syrup Pepsin at night on retiring, and repeat the dose the following night if necessary—more than that will scarcely be needed. You will find that the child will recover its accustomed good spirits at once and will eat and sleep normally. This remedy is a vast improvement over salts, cathartics, laxative waters and similar things, which are altogether too powerful for a child. The homes of Mrs. Carrie McDonald, 1026 Trigg Ave., Memphis, Tenn., and Mrs. Sallie E. Griffith, Veechdale, Ky., are always supplied with Dr. Caldwell's Syrup Pepsin, and with them, as with thousands of others, there is no substitute for this grand laxative. It is really more than a laxative, for it contains superior tonic properties which help to tone and strengthen the stomach, liver and bowels so that after a brief use of it all laxatives can be dispensed with and nature will do its own work.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.

**Art Steel Tube Bed**

SQUARE TUBING

**Price \$**

Do you see how the square cross-roads at top of head and foot beautify this bed? Imagine this design with round tubing in those positions. Would not the result be "ordinary" and monotonous?

It is just such details of clever and artistic designing that have made our steel beds so popular. And the very large corner posts with brass caps all combine to make this an unusually artistic bed.

Moreover, this
